Prof Forbes [illegible]

It is our privilege and
to have had the opportunity of
welcoming this first Sir Jehangir Reay Cayma
to India. I am happy to welcome
our many & foreign friends from Cayma;
I do most sincerely hope that they
will enjoy their short stay in our Country. I
know we will be greatly benefitted
in enriching our knowledge of this
great need for human art — the value
of Heredity Research — from the immense
wealth of this knowledge most of our foreign
friends possess in the Research of various orders; I
hope they will find something of value and of
interest to them from our [illegible] very scientific
we will be able to share our [illegible]
knowledge of Research with them.

Our land has been blessed
by God and by human efforts in myriads of
folk music — folk dance, folk art — both
ancient and modern. Folk arts
Pastimes in which [illegible] a certain model

activity is our appreciation & pleasure & manner —
Shall help ~~our children~~ us, all, to keep
our hearts & minds deeply engaged ~~to~~
~~foster~~ ~~fosters~~ to meet the many challenges in
our domestic lives with Courage - Joyful Hearts —
determination - Community Spirit - and dedication & we
can their Architects our Share of the Savior to
~~the~~ ~~other~~ peoples of the world to build a united
& global Recreation : to foster friendship
and mutual understanding — for the good of mankind —

I hope the ~~Congress~~ activities
and deliberations of the participants in this
Congress will focus the attention of our
people ~~of~~ of all Classes - Creeds & Certs —
& the need to pay active heed to promote
and practice ~~the~~ ~~daily~~ Recreation in all its Phases
~~as a daily~~ throughout our Country
~~the Nation~~ as a Pleasure Daily Routine
Thank you Mr Politis & Friends.
